

The future is digital with Mahr!

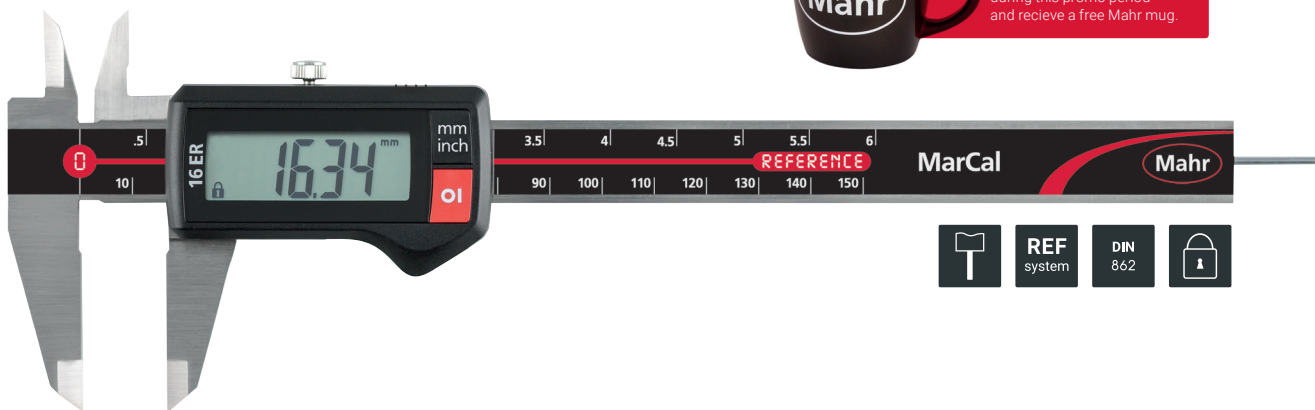

MarCal 16 ER | Digital Caliper

The MarCal 16 ER combines a new modern design, easy to read digital display and the usual Mahr accuracy that characterizes all of Mahr's digital calipers. The MarCal 16 ER is the basic shop tool for a variety of measuring tasks and is ideal for inspection departments and where fast precision lengths need to be verified.

Features:

- High contrast digit display
- Locking screw
- Lapped guideway
- Measuring blade for inside measurements
- Slide and beam made of hardened stainless steel
- Step measuring function
- Reference System for immediate measurements
- Locking function prevents measurement errors
- Dirt wipers are integrated in the slide

\$135
